NATION PAYS UNEXCELLED HOMAGE TO UNKNOWN HERO

Thousands File Slowly
Past Casket In Rotun-
da Of Capitol—Silent
Sentinels On Guard.

Homage unexcelled by that ever
accorded an American hero was paid
today to the unknown dead soldier
in the rotunda of the Capitol where
his body lies in state.

Before the capitol opened long
lines of waiting people stretched far
down the streets. Within a few hours
thousands had filed slowly by the cas-
ket. Mothers who lost sons in the war
wept as they walked slowly by.

At the corners of the casket stood
four silent sentinels, comrades of the
unknown hero in France.

Veterans Pay Honor

The first ceremony of that day was
that of the Veterans of Foreign
Wars. After the burial ritual of that
organization was read, Col Robert G.
Woodside, commander of the Vet-
erans, conferred the ranks of honor
of Aide De Campe, Medal of Honor
Section, upon the casket of the sol-
dier.

"My dear departed comrade" said
Woodside "Each one of us feels that
you are the comrade who fell fighting
by our side as we stood in the
trenches or advanced across No
Man's land. Here at your shrine we
renew again our obligations of true
allegiance to the United States. May
we always remember our duty to the
behave mothers and widows of our
departed comrades. This is their
day."

B. & O. OFFICIALS DENY ATTEMPT TO KILL MARSHAL FOCH

Pittsburgh, Pa., Nov. 10.—Officials
of the Baltimore & Ohio railroad to-
day denied a report that Marshal
Foch's special train had been re-rout-
ed on the discovery of a plot to as-
sassinates him.

Officials explained that the mar-
shal's arrival station had been chang-
ed from Pittsburgh to Braddock to
bring him nearer to Homestead,
where he will inspect steel mills there.
Police say they know nothing of the
plot.

After viewing modern methods of
producing steel, Foch and his party
went to Memorial Hall here, where
the Marshal received honorary de-
grees from Pittsburgh and Duquesne
universities.

He leaves tonight for Washington.

finances of Henri "Bluebeard"
Landru, was taken up at the murder
trial today after the last testimony
had been heard in the case of Ma-
dame Cuchet, the first of Landru's
alleged victims.

Five witnesses were summoned
by Judge Gilibert to present their
evidence regarding the mysterious
disappearance of Madame LaBo-
daine, a handsome widow.

Went To Villa, Disappears

According to the witnesses, the
widow announced her engagement to
Landru a few days after she met him
and immediately took up her resi-
dence with him in the villa at Ver-
mouillet, alleging to have been pur-
chased by Madame Cuchet. Mme.
LaBordaine later disappeared and
nothing was seen of her for months.
Landru is alleged to have stored her
furniture and sold valuable securi-
ties she possessed.

UNCOVER EVIDENCE OF BOOTLEG MURDER RING

Dept. Of Justice Given Evidence Dry Agents Slain To Stifle Charge Against Booze Runners

New York, N. Y., Nov. 10.—Evi-
dence that a "bootleggers ring" had
plotted the death of dry agents who
have been strangely murdered in
New York and vicinity during the
last few months, is in the hands of
Department of Justice agents, it was
learned today.

If anything further in support of
evidence in hand now is found, ar-
rests may be made within a short
time.

One of the agents whose death is
under investigation was James Mc-
Guinness, a nephew of Joseph Tu-

multy, former secretary to ex-presi-
dent Woodrow Wilson. McGuinness
was found dead near Bayonne, N. J. a
year ago.

Suicide Verdict Rendered

After a short investigation his
death was attributed to suicide. The
same result followed other investi-
gations made by authorities in fol-
lowing cases. There is now reason
to believe the men were victims of
carefully laid plans of a murder ring
which wishes to stifle evidence of
bootlegging operations of its mem-
bers according to Robert P. McCor-
mick, Assistant U. S. Attorney.

After McGuinness' death a dinner
is alleged to have been held to cele-
brate it. One diner is said to have
remarked "McGuinness was the only
man in the world who had anything
on me."

WASHINGTON READY FOR OPENING OF ARMS CONFERENCE

Delegates Await U. S. Action In Suspending Naval Construction During Parley.

Washington, D. C., Nov. 10.—
America's capitol became
the capitol of the world today.
With the arrival of Sir Arthur
Balfour and other British dele-
gates, Washington was ready for
one of the biggest peace
parleys in the history of the
world.

Look to U. S. As Leader

On the eve of the conference in-
terest centered on whether the United
States, as evidence of good faith,
would order to suspend her naval
construction during the session.

Delegates awaited eagerly for
America to take the lead either by
proposing suspension of naval con-
struction during the conference, or
to submit a definite program for
arms limitation.

The ceremonies in honor of Ameri-
ca's Unknown Dead gave a most ap-
propriate setting for the opening
of the great parley Saturday.

Visitors Crowd City

Washington was crowded with
visitors from all over the world to-
day. Japanese, Chinese, Frenchmen,
Italians, British, Portuguese and
Indians mingled with the street
crowds, some wearing native cos-
tume. Flags of all the principle
nations floated on flagstuffs throughout
the capitol.

Continental Memorial Hall in the D.
A. R. building is ready for the con-
ference opening Saturday. In the
center is a horseshoe shaped table,
similar to that made famous at the
Versailles conference. Principal de-
legates of the nations will sit at the
table, with their advisers back of
them.

On three sides will be seated 300
representatives of the press. In the
upper galleries, members of Congress
the Supreme Court, and diplomatic
representatives will sit.

Delegates representing the keenest
brains in America, Europe and the
Far East will assemble in the hall at
10:30 Saturday. After greeting
President Harding and Secretary of
State Hughes, the conference is ex-
pected to proceed with organization.
Sec. Hughes will probably be made
permanent chairman.

TABULATION OF OFFICIAL VOTE STARTED TODAY

The official tabulation of the vote
cast at Tuesday's election was be-
gun at noon today. The official re-
turning board is made up of Judge
Singler, Bell, Prothonotary George
W. Ralston, W. I. Curley, Frank

WASHINGTON READY FOR OPENING OF ARMS CONFERENCE

Delegates Await U. S. Action In Suspending Naval Construction During Parley.

Washington, D. C., Nov. 10.—
America's capitol became
the capitol of the world today.
With the arrival of Sir Arthur
Balfour and other British dele-
gates, Washington was ready for
one of the biggest peace
parleys in the history of the
world.

The postponement of the confer-
ence was announced after Lloyd
George held a conference with his
advisers in Downing street and sent a
letter to the Ulsterites gathered at
the Hotel Savoy asking that the meet-
ing be deferred.

Just before the joint conference
was called off Sir James Craig, Ul-
ster Premier, issued a statement de-
claring none of Ulster's rights would
be surrendered. This was interpreted
as a flat refusal on part of the Ul-
sterites, to consider the proposed
compromise settlement.

ARMISTICE DAY WILL BE QUIETLY OBSERVED

No Celebration Planned -- Stores To Close For Brief Time To Pay Honor To America's Soldier Dead

There will be no big celebration of
Armistice Day in Clearfield tomor-
row. In keeping with Mayor Chase's
proclamation, the stores of the town
will be closed from 11:30 to 1 o'-
clock and the townspeople generally
are requested to display the Ameri-
can flag at their homes and business
places.

Pay Tribute To Hero Dead

Tribute will be paid the memory of
America's hero dead by university
compliance with President Harding's
recommendation that the church bells
and all public bells be tolled and sil-
ent prayer offered for the unknown
soldier who will be buried in the Na-
tional cemetery at Arlington.

No regular program of exercises
has been prepared for the day and
each patriotic citizen is at liberty to
pay homage to the memory of our
heroes who have "gone west" in his
own way.

Foot Ball Game

There will be a football game at
the driving park in the afternoon
when a team recruited from among
the members of John Shade Post of
the American Legion will meet the
local High School eleven.

The recommendation of the Mayor
for the display of "Old Glory" on this
patriotic occasion should be generally
complied with.

RED CROSS ROLL CALL CANVAS TO START SUNDAY

First Active House To House Appeal For Funds To Carry On Work Announced.

Officials in charge of the local Red
Cross Roll Call, which is part of a
national event, announced today that
the house to house canvass for funds
to carry on the Red Cross work dur-
ing the next year, would be started
Sunday.

Roll Call Starts Friday

The National Red Cross Roll Call is
to be held the week commencing Ar-
mistice Day. This annual Roll Call is
the only appeal made by the Red
Cross to carry on its work for the en-
tire year. When asked to state
briefly the purpose and scope of the
Red Cross work, District Chairman
Charles T. Kurtz replied as follows:

"The Red Cross, as you know, was
organized and has been active for
of all kinds, particularly in cases of
catastrophe, famine, fire, flood etc. at
home and abroad. With the out-
break of the great war, the Red Cross
put its organization in the service of
the government and threw all its en-
ergy into the assistance of our sol-
diers and those of our allies and the
taking care of non-combatants and
prisoners. Since the conclusion of
the war it has continued its pre-war
activities in meeting world emergen-
cies wherever they arise, but has
turned its chief attention to two great
fields of effort at home.

Home Service Work.

The first of these is the "Home
Service" work in the interest of our
returned soldiers. In co-operation
with other agencies, and especially
with the American Legion, it had
helped the boys to secure proper ad-
justment of their claims for medical
treatment back pay, vocational train-
ing, etc. and has assisted the families
of those who were killed or disabled.
This phase of the work will of course
be completed eventually but the ac-
count of it is very large at present
and it would be nothing short of dis-
astrous to discontinue it until all de-
serving cases have had attention.
Our local Chapter has been with it to
know that we are at the present time
handling an average of sixty cases a
month. On this ground alone we feel
that we are entitled to the hearty sup-
port of our people.

Public Health Department.

The other great branch of work we
are doing is through our public health
department. The Clearfield Chap-
ter with its staff of efficient nurses is
working ceaselessly to establish better
health conditions not only in Clear-
field town but our entire district,
which comprises nearly the whole of
Clearfield County. This work is car-
ried on quietly and without any dis-
play whatever but the examination
of all children in the schools is
made periodically, revealing defect-
ive eyesight, cleanliness, care of the
teeth, etc. The school nurses co-op-
erate gladly, and as the value of the
service becomes apparent are taking
over in some districts. In other dis-
tricts it will be necessary for a time
for the Red Cross to carry this work
along without such assistance until it
becomes a part of the regular life of
the community and can stand on its
own feet. Labeled as held for in-
struction of mothers, personal calls
are made to the homes of anyone need-
ing care or advice, and with the estab-
lishment of a central rest room, a
place will be provided where women

Gold holdings of the United States the world's sole creditor nation, mounted to a new high record last month, approximately \$3,600,000,000. Statisticians estimate this to be 35 to 40 per cent of the world's visible supply.

Of this amount the twelve Federal Reserve Banks hold about \$930,000,000, the bulk being in the vaults of the local institution.

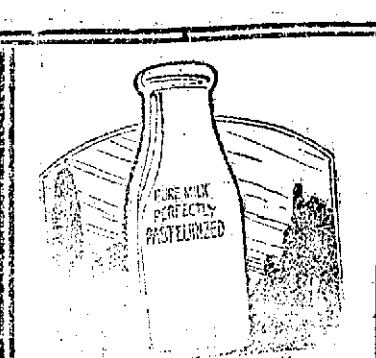

Metal, pouring into this country ever since the close of the war, has averaged \$75,000,000 monthly this year.

Some of the gold bears the stamp of nations born after the European cataclysm and some of the minted metal is almost as rare and strange to the average observer as an old silver Spanish doubloon.

Part of the gold sent here by Germany to meet reparations payments to the Allies was said to be French coin (Louis d'Or) extracted by Germany from France as indemnity in 1870.

One of the first persons to appear at the polling place to cast her ballot at last Tuesday's election in the First Precinct of the Third Ward of Clearfield, was Mrs. Rebecca Miller now in her 80th year. Mrs. Miller is a member of one of Clearfield county's pioneer families and takes a keen interest in public affairs generally and is a staunch Democrat.

More than 100 tourists in Yellowstone Park have been held up this season by a big black bear bandit. The highwayman has rightfully acquired the title of "Jesse James" and lives his life without fear of bee trees. The bear found that if he took a position on his haunches in the middle of the road and refused to budge until the auto-riding tourists fed him, that life would be much easier and pleasant

It's the most complete food that you could put into your system, as it contains more of the ingredients that go to make muscle and bone than any other food you take.

Milk was Dame Nature's first food and you never saw Dame Nature make a mistake in your life. She's laid down pretty good food values and if you'll follow this one—milk—you'll be better off physically.

YOUNG GIRLS NEED CARE
Mother
ch Your Daughters' Health
Health Is Happiness

From the time a girl reaches the age of twelve until womanhood is established she needs all the care the thoughtful mother can give. The condition that the girl is then passing through is so critical and may have such far-reaching effects upon her future happiness and health that it is almost criminal for a mother or guardian to withhold counsel or advice from her. Many a woman has suffered years of protracted pain and misery through having been the victim of thoughtlessness or ignorance on the part of those who should have guided her through the dangers and difficulties that beset this period. Mothers should teach their girls what danger comes from standing around with cold or aches from lifting heavy articles and from overworking. Do not let her overwork. If she complains of headache, pains in the back and lower limbs, or if you notice a slowness of thought, nervousness or irritability on the part of your daughter, make it easier for her. She needs thoughtful care for a few years. In all such cases Lydia E. Pinkham's Vegetable Compound should be given, as it is especially adapted for such conditions. It contains nothing that can injure and can be taken in perfect safety.

Read how Mrs. Eichler helped her daughter. "She was 16 years old. She had pains across her back and in her sides. Every day she would pain her so she could not do her work and would have to stop. My married daughter recommended Lydia E. Pinkham's Vegetable Compound and I read the books which were left at my door. She took it faithfully and gave me permission to publish this letter in your paper. She is now a newspaper editor. Mrs. E. H. EICHLER, 4034 N. Parkhill St., Philadelphia, Pa. Mrs. Williams' profit by her own experience. "She says: 'When I was thirteen years old I had sick spells each month and as I was very backward I would wear the pain and my mother knew nothing about it. I read in the daily paper about Lydia E. Pinkham's Vegetable Compound and took my own spending money and bought a bottle. It helped me so much that I took it regularly after that until I had taken two bottles and I did not have any more pain or backache and have been a healthy, strong woman. I am now 39 years old and have a little girl of my own and when she gets old enough I shall give her none other than Lydia E. Pinkham's Vegetable Compound.' Mrs. C. E. WILLIAMS, 2437 W. Toronto St., Philadelphia, Pa. For almost fifty years Lydia E. Pinkham's Vegetable Compound has been relieving women, young and old, of ailments peculiar to their sex. Ask your neighbor about it, for in every neighborhood there are women who know of its merits. Thousands of letters similar to the above are in the files of the Lydia E. Pinkham Medicine Co. and for years such letters have been published. Surely it is worth your while to make a fair trial of Lydia E. Pinkham's Vegetable Compound. Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women" will be sent to you free upon request. Write to The Lydia E. Pinkham Medicine Co., Lynn, Massachusetts. This book contains valuable information.

PLAY TOMORROW

At Driving Park For
Two Teams Will Battle
Local Armistice Day
Gridiron Honors.

Friday afternoon the American Legion eleven and the Clearfield High School grid squad will meet at the Driving Park for the first encounter of the season between local teams. The game had originally been arranged as part of the proposed American Legion Armistice Day celebration, but after the program fell through, the teams decided to carry out the game as scheduled. The Legion team, composed of old

timers on the gridiron, have been practicing faithfully, and promises to show some of their old time tricks to befuddle the minds of the younger athletes. While the Legion gridgers may be handicapped on account of condition, they move than make it up in weight and experience and should have little difficulty in putting Coach Crane's legs down for the count.

According to dope available the following players are numbered among the Legionites who will appear in the game: N. Norris, L. E. Roy, Leasure, L. T. Fred, Mahnes, L. G. Rex, Ammerman, C. Smith, R. G. Paul, Farin, R. T. Les, Boyes, R. E. Shope, Quarterback; Ray Wallace, L. H. and Jim Cochran, R. H.

STOLE HIS WIFE'S FALSE TEETH—MAN IS UNDER ARREST

(By United Press.)

Waynesboro, Pa., Nov. 9.—(United Press)—Sam McFerrin was held in jail here to await a jury trial as the result of many misunderstandings with his wife which culminated in her having him arrested for stealing her false teeth. She testified that he was in the habit of taking any of her personal belongings he could find. Later she had him haled into court on a new charge, charging that since he had been arrested for taking her false teeth he had threatened her life and that she was afraid to have him at large.

Suffering of a Quarter Century Quickly Relieved by Nerv-Worth

West Virginian Tells Interesting Story.

"I suffered 25 years with stomach trouble and nervousness," said L. F. Ferguson, Route 2, Clarksburg, W. Va., in a letter written some time ago, and he continues, "I had pains in my stomach, back and side, and my circulation was poor. I got no sleep and was as tired in the morning when I got up as when I went to bed. I became restless and depressed. I had lost my appetite and my food would not digest. I was always full of gases. Since taking Nerv-Worth, my condition is a great deal better in every way. I am feeling good, sleeping fine, my food digests, and the gases are gone. My whole general condition is much improved, and I certainly recommend Nerv-Worth to my friends." If it's stomach trouble you have, the above statement proves to you that Nerv-Worth is the medicine you want. Remember if your first bottle is not satisfactory, your druggist is authorized to refund your money. Sold by all leading druggists everywhere.

Nerv-Worth is now \$1.00 per bottle, at Stewart's Drug Co.

Will Your Turkey Fit Your Old Roaster?

THE CELEBRATED "SAVORY" ROASTER

Seamless—Sanitary—Self-Basting—Self-Browning

Due to the design the celebrated "SAVORY" Roaster is self-basting and self-browning. Bottom, being elevated, does not touch the stove—thus guards against burning.

It affords plenty of space, yet wastes none, so that even the large oval design fits readily in the ordinary oven. Inside smooth as glass makes it thoroughly sanitary. Entire absence of cracks makes it easy to keep clean.

BETTER THAN CALOMEL

Thousands Have Discovered
Dr. Edwards' Olive Tablets
are a Harmless Substitute

Dr. Edwards' Olive Tablets—the substitute for calomel—are a mild but sure laxative, and their effect on the liver is almost instantaneous. These little olive-colored tablets are the result of Dr. Edwards' determination not to treat liver and bowel complaints with calomel. The pleasant little tablets do the good that calomel does, but have no bad after effects. They don't injure the teeth like strong liquids or calomel. They take hold of the trouble and quickly correct it. Why cure the liver at the expense of the teeth? Calomel sometimes plays havoc with the gums. So do strong liquids. It is best not to take calomel. Let Dr. Edwards' Olive Tablets take its place.

Headaches, "dullness," and that lazy feeling come from constipation and a disordered liver. Take Dr. Edwards' Olive Tablets when you feel "lousy" and "heavy." They clear "clouded" brain and "perk up" the spirits. 15c and 30c.
